Basic Benefits

- **Hospitalization** – Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- **Medical Expenses** – Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments.
- **Blood** – First three pints of blood each year.
- **Hospice** – Part A coinsurance.

Benefits from High Deductible Plan F will not begin until out-of-pocket expenses exceed \$2,240. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

1 High Deductible Plan F is not available.

▲ Basic benefits, EXCEPT up to \$20 copayment for office visit, and up to \$50 copayment for emergency room visit.

Premium Information

Plans A, G & N | Effective January 1, 2018

Plan F | Effective May 1, 2018

Premiums are subject to change.

Here's some important information, before we get started:

We, Anthem, can only raise your premium if we raise the premium for all plans like yours in this State. We will recalculate your age each year and adjust your premium based on the new age band in January of each year up to the age cap.

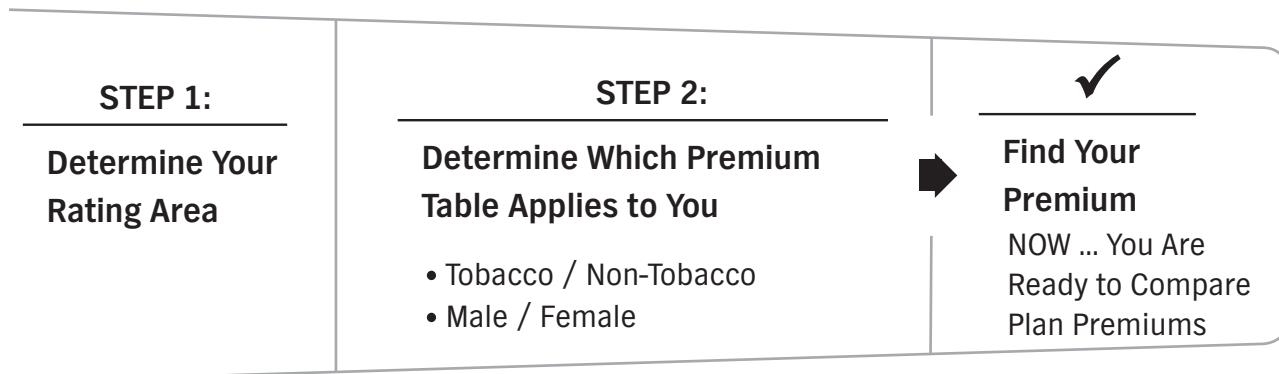

Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. Renewal Date is defined as January 1, subject to state approval. The selected billing preference does not guarantee your premium for any specific period. Approved premium changes are effective as of the Renewal Date.

If you select a billing method other than Monthly EFT (Electronic Fund Transfer), the billing frequency takes effect on the first day of the payment period that immediately follows your coverage effective date. Based on your selected billing method and your coverage effective date, we will prorate the initial premium to align you with the quarterly or annual billing. For example, if you select quarterly billing and your coverage effective date is September 1, your quarterly billing will start on October 1. We base annual billing on a calendar year (January-December).

Find Your Premium

Premiums (and future changes to premiums) are determined by several factors, including the county where you live, tobacco use, age, gender, plan, and the costs of medical services and supplies.
